

Welcome to Reach Cambridge Summer 2024 **Program Three**! After bidding farewell to our second cohort on Saturday morning, we welcomed more students from all over the globe throughout Sunday. We are so excited for part three of the Reach adventure, and cannot wait for the new students to discover what lies ahead over the next two weeks!

Once again, we are lodging at the **historic colleges** of Cambridge. Students will be distributed amongst the colleges, each boasting its own distinctive beauty. Regardless of their location, everyone will be immersed in Cambridge's unique charm. After settling into their rooms, the students took a city tour led by our wonderful supervisors, exploring the other colleges and classrooms, and grabbing a bite to eat at the famous **Market Square!**

There is so much to look forward to over the next two weeks, both academically and outside the classroom. After the first week of classes, we will be heading to **Oxford**, one of the world's most iconic University cities, and Cambridge's academic rival!. The second exciting excursion is to London, where students will have the opportunity to take a **boat cruise down the River Thames**, and explore the joys of **Greenwich**. As well as these trips, there will be a host of activities on offer for the students. From sports day to t-shirt painting, punting and debating, there is a lot of fun to be had over the course of the programme.

After dinner at their respective colleges, and a welcome talk giving an overview of the program, the students had their first chance to bond with their corridor during ice breaker games, led by their corridor supervisors.

Finally, following a long day of travel and new surroundings, the students were able to get an early night and have some well earned rest, ready for a busy week of classes and activities ahead!
