RE: Studying at Reach Cambridge %RCVISACOURSEYEAR%

Reach Cambridge is accredited by the British Accreditation Council (BAC), which is an accreditation body approved by UKVI (United Kingdom Visas and Immigration). Since 2005 Reach Cambridge has specialised in educational tour packages for young people aged 13-18. As Reach Cambridge programmes are less than 6 months in duration, students should apply for a Standard Visitor Visa for either adult (18+) or child (if under 18).

I confirm that the following young person will be accommodated in the halls of Cambridge University for the duration of their course. Arrival transfers from London airports to Cambridge, and departure transfers from Cambridge to London airports, are arranged by Reach Cambridge for all flights arriving within our scheduled arrivals and departures windows as featured on our website.

%RCVISAFIRSTNAME% will take part in the Reach Cambridge residential programme, which offers a fascinating insight into the study of different subjects at university. The courses supplement High School study by looking in depth at a range of subjects being studied by university students and graduates. Our lecturers aim to pass on the passion for their subjects that has driven them to succeed in their field. As well as attending academic lessons, our students will partake in activities and excursions arranged by Reach Cambridge. More information can be found at www.reachcambridge.com.
